Successful Candidates in the CPA Examination November 1969

The 263 names listed here make up the largest class yet of H&S accountants completing the CPA examination—63 more than the number who passed the November 1968 examination and 44 more than the total who successfully completed the May 1969 examination, the former record high for H&S. In competition for the Elijah Watt Sells Award, three candidates won honorable mention from the AICPA: Patricia Ann Yates of San Francisco, Gary Lee Mead of Kansas City and Thomas F. Harincar of Los Angeles.
